Sheer filth, for the readers, from the readers...

CLEANER GETS DIRTY!

After my third affair, with his best friend Mike, I flippantly suggested to my husband that if we were not going to deal with it, we should move away, in a bid to overcome his jealousy. However, I didn't really expect him to go through with it! As the breadwinner in our relationship, however, it was difficult to refuse – especially due to the amount of bread we're talking about! Without ever discussing it, he knew that whilst I still loved to fuck him, my appetite for dick was as insatiable as my appetite for money! Mike's wasn't the first piece of meat I had craved, and fucked, so why would it be the last? Nonetheless, moving is difficult, and I made it clear that I hadn't really wanted to.

As I was now feeling more than a little aggrieved, it was my husband's turn to overcompensate. He said he'd hire a cleaner to relieve me of my duties around the house, but perhaps it was really to keep an eye on me! I wasn't used to female company, so when she arrived, I awkwardly loitered as she courteously and professionally carried out her jobs. Watching her though, I couldn't help but find myself staring at her arse, straining the seat of her jeans, and feeling an unusual aroused sensation at her confidence, despite being, in my eyes, only a cleaner. Her tits, like her behind, were a little on the big side, but didn't sag; and as she cleaned she'd occasionally hitch her bra up, making them bounce slightly. Every time I wanked, she'd be the focus of my climax.

I began to look forward to Tina's visits, and stayed in, making coffee and conversation. One afternoon I shared my reason for our sudden move, and was shocked to be greeted with a laugh and her brazen reply, "What, he thinks moving house is going to stop a woman wanting new cock?" She laughed again, and my feigned surprise turned into giggles, but then she continued, "Anyway, it's not just a good fucking you want, is it? I know you want to get your manicured little fingers inside my pussy". I'd never heard a woman talk like this, and was both intimidated and turned-on.

Explaining I'd never been with a woman before seemed futile as I was no longer in control of. Reading my mind, she continued, "Don't worry, you won't miss out on getting your cunt filled," and walked over to her bag and took out a smaller leather drawstring bag. Taking out a huge rigid dildo, she basically ordered me to take my panties off, and opening my legs wide, she slowly forced the dildo into my soaking wet pussy. I frantically twisted and pinched my erect

nipples, screaming for her to push it in harder. Before I could become lost in a straight fuck, however, she pulled the dildo from my twat, and began to tongue my clit.

I dragged her on to me, and stuffed my fingers into her hole as we writhed together, sucking and licking any part of each other's body. I bent her over and thrust the shaft rhythmically into her sopping twat. I became insatiable, running my tongue along the dildo as it fucked her, and lapping at her arsehole as she moaned. The next thing I knew, I had two fingers in her anus as her cunt muscles gripped ever tighter on the dildo. Her sphincter relaxed, allowing my index finger to probe further up, making her cunt spasm as I held the dildo deep inside. Giving me a wild look, I knew she wanted to return the favour.

Removing me from inside her aching holes, she reached back inside her bag, before strapping on a dick and balls that was about as close to the real thing as you could get! What kind of cleaner's bag was this? Holding the shaft in one hand, she turned me over, soaked her fingers in spit and put them where mine had just been in hers. My bumhole was more than ready when she thrust herself, balls deep, into me.

Her thighs slapped against mine, moaning as she bucked me to orgasm. My body seemed to give way after I came, and she too collapsed next to me. As I lay there dripping in perspiration, she asked if I was happy now I'd had the best of both worlds. She knew I was, but I coyly replied, "Well, I'm covered with my own juice and sweat; I could still cope with something else all over me!" She looked at me wickedly and replied, "Perhaps, it wasn't such a bad move after all, as I'm sure you're husband won't be jealous of me?" Too right, I thought! My mind raced with the possibilities, before she said, "Leave it to me – I've done this before..."

Blimey, Natalia, it looks like you live in a hell of a place.

"Don't be daft," titters the British lovely, "this belongs to the snapper. I live in a terrace house with a couple of girlfriends. If I had this place, I'd be cleaning it constantly, it's huge!"

Maybe you could get your girlfriends to help?

"My girlfriends and I have got better things to do, like going out dancing, getting drunk and dragging blokes back to gangfuck them!"

Yes, that sounds better than cleaning.

Stick It In!

We love hearing about all your filthy fumblings and sexual shenanigans, so if you've been out pulling birds, up to your nuts in the woman next door, or even just shagging your own missus, make sure to write in and tell us. There's £50 per letter in it for you, so get writing…

GIRLS NIGHT IN!

Jess, Lynne and I have been friends for years. We were all at school together, we all snogged for the first time behind the same bike sheds and all lost our virginity on the same holiday to Tenerife. But sharing the same bed at slumber parties, rubbing up against each other in our nighties, was the closest we'd ever actually come to getting it on with each other.

But we're all a lot more grown up now. We've had men of all different shapes and sizes, girths and lengths, and our conversations these days are a bit raunchier than when we were teens discussing our first fingerings.

Last weekend we were getting ready to go out when the conversation turned to women. All of us admitted that we'd never even come close to snogging another girl, but that we were all curious to see what it's like. Well, our chat didn't get any further than that and soon we were dolled up and got ready for the pull.

Ten Bacardi Breezers later, it was 2 in the morning and a dire lack of talent and a dancefloor full of scantily clad teens out looking for a fuck had forced us into a cab back to mine. Ten minutes later we were all sprawled pissed on the sofa, fags in one hand, wine in the other, wondering what was on telly.

Flicking through cable, we ended up on the Adult Channel, face to face with a gaping wet pussy. "Urgghh, turn it off Jess, it's gross," Lynne shouted. But suddenly, feeling a bit turned on, I grabbed the remote control. Vast tits filled the screen, nipples erect and suckable, cunts ready for licking dry. We all watched, giggling for a few minutes, but all knowing just what was going to happen next.

Reaching over to Jess, I put my hand underneath her mini skirt and felt between her thighs. Not only was she not wearing any knickers but her vadge was distinctly wet. Fuelled by Dutch courage I probed further, finding her clit and teasing it with my fingers. Jess leaned back,

opening her legs wider and reached for Lynne's erect nipples.

I moved next, pulling Jess's boob tube down and releasing her gorgeous, bouncy breasts. I bent down and took as much of her tit as I could in my mouth. Groaning, she responded by ripping open Lynne's shirt so that we were all topless together.

On the TV I could see two women pinning another on the floor, spreading her legs, licking her all over, sitting on her face. Inspired, I pulled Jess down onto the carpet, and started to suck at her clit.

My first taste of fanny juice was as sweet as it could have been, and as Jess moaned I got bolder with my tongue. Reaching out to balance myself, I found the remote control. Its smooth hard shape was just perfect for my friend's pussy. I began to push it inside her, watching as it slid right into her tight wet hole.

Lynne had been sat looking at me going down on Jess, but now she seemed keen to join in. Hitching up her skirt to reveal her hold-ups and pulling her string aside, she knelt down over Jess's face and pushed her cunt into it, bouncing slowly up and down on her so that Jess had no choice but to explore both her holes.

Keeping one eye on the TV screen and one eye on the juices dripping out of Lynne onto Jess's face, I fucked my friend even harder with my new sex toy. Her groaning muffled, I concentrated on the movement of her body as she wriggled and pulsated her way to ecstasy. At the same moment Lynne came too, collapsing over Jess's tits with yelps of pleasure.

I didn't have long to wait for my own fuck. A good thing too, as the need to cum was driving me wild. As Jess and Lynne's orgasms subsided, they turned their attention to me. It was an orgy of fingers, thumbs, tits and tongues, probing every part of me: Jess's pinkie in my arse, Lynne's lips round my fanny, both cunts trying to get in my face. And as they both sucked and kissed every part of me, I felt the final release surge through my body, bucking and whinnying like a naughty filly.

The next day, when I woke up, I could hardly remember whether I'd been in a porn film or watching one on telly. But as I opened my eyes to find six hairless legs and soft tits and felt a manicured hand reach for my pussy again, I knew it had been a glorious reality. And one, I can assure you, that will be repeated whenever we fail to pull again.

GROUPIE SEX!

There's something about DJs that always seems to attract the girls. I go clubbing just about every weekend and the DJ at my favourite club is no exception to the rule. His name is Rob and he always has gorgeous girls flocking round him – including my friends who constantly fight for his attention.

I get tired of being overshadowed by my three mates who are all leggy, slim and beautiful. I know I'm pretty as well but I don't have the confidence and usually get overlooked by blokes.

Anyway, the other night I'd just had enough of being the shrinking violet and after throwing back a few double vodkas I decided it was about time I did something about it. I bumped into Rob as I staggered to the bar and tried to strike up a conversation.

As usual though, he wasn't really interested in talking to me and after a polite, "Hi, how are you doing?" he turned his back on me. But this time I wasn't going to let him get away with it. Summoning every bit of Dutch courage, I asked him if he fancied meeting up with me when he'd finished his last set. He blatantly looked me up and down and considered whether he wanted to fuck me.

"Look, my girlfriend is picking me up after work so I can't, but we could pop outside now if you like. I've got a few minutes before I'm back on," he said, as though he was doing me a favour.

But I didn't care that he wasn't much of

KATE

PHOTOGRAPHY: DAN GLEBALLS

Kate Hunter has only done a handful of photo shoots for top shelf mags, but she says this is her favourite one. Ours too.

"I just had so much fun," the 24-year-old says, "playing with the space hopper took me back, but they should do a version with a dildo on top. I could bounce up and top of that all day!"

Sounds great, but what are we? Chopped liver? Don't go inventing sex toys that make us blokes any more obsolete!

"Don't worry, there's nothing like the real thing. Well, until they invent a sex toy that can go down on me for an hour and then shoots real jizz!"

PEPPER

PHOTOGRAPHY: **HOLLY RANDALL**

When we spoke to Pepper, it was hard to resist asking her how her mate Salt was. But resist we did.

"It's not even a modelling name," Pepper sighs, "It's my real name. I've never wanted to be famous under a pseudonym, what's the point? And I like to think Pepper captures some of my spicy nature."

Well, who doesn't like pepper? Peppered steak, Pepperoni, fuck, even Pepperami are all delicious things.

"What's Pepperami?" the US sweetie asks, and we promise to send her some. And so another great US/Anglo friendship is cemented. And if you see your mate Salt, send her our condiments...

EVE&SUSANE

PHOTOGRAPHY: VLT

If we were to park a bath in our garden, it'd be little more than a pretty effective rainwater butt. But if you live somewhere with a bit of sun, you can get away with it, and if you then stick hot girls like Eve Angel and Susane into it, you're on to a winner. You could print tickets and charge people to come and watch. Of course, here at *MensWorld* we provide that service as part of the cover price...

Barely 18 Vol. 3 (Pumpkin Media)

An all-anal instalment of Euro babes? Yes, please. It's always amusing that 'teen' scenes often involve little more than twenty-something porn stars wearing socks and putting their hair in bunches, but see past that and this has plenty to pleasure your pecker. Blonde sorts Yasmine Gold and Nesty, Missy Nicole and Angelina Crow, lovely ginge Christine Diamond portioning out a prick with Tanja, and Sugar Baby and Szofya Cox are highly strokeable too. Two girls sharing a bloke and then going, "Yeah, why not put it in our bums?" That's always a winner.

Back to the most unrealistic school in the world (and one that I can't seem to find on Google maps), and one with 100% attendance. After all, who'd miss a lesson that involved Shay Hendrix (wearing an eyepatch), Brooklyn Lee and Ruth Medina stuffing toys into each other's twat and wielding strap-ons? Someone should have a word with starlet Linet Slag about her chosen porn name, but there's no denying the anal pounding she gets here. A gold star to Kristina Crystalis as well for her DP.

YOU DON'T GET TREATMENT LIKE THIS ON THE NHS

Porn maths is pretty simple, and dirty plus anal multiplied by nurses equals a pretty amazing wankfest for any viewer. We're not sure any of the nurse outfits here are regulation NHS gear, but then again, we don't reckon the girls on the geriatric ward at your local hospital do the kinds of things Madison Parker and Angelica Heart do. Wiska does a DP – we assume it's two doctors taking her internal temperature – while Eve Mendes and Roxy Panther blitz their way to the bottoms of a patient's balls in a scorcher. Pass the sick note.

SMOO WHEELS GOOD

Porn babes love nothing more than a throbbing engine and a greasy rider to set them off. Emma Edwards dons her leathers to join the biker babes on set…

Since their advent many years ago, women have inexplicably been drawn to men on motorcycles. Perhaps it's the powerful engine between their legs, and the sexy exuberance of open-air freedom that feeds into the whole 'bad boy' image that most women can't get enough of. Perpetuated by the Hollywood screen gods of late, including such stars as Marlon Brando, James Dean, and Peter Fonda in *Easy Rider*, it goes without question that the roaring sound of pipes and the mysterious stranger underneath the dark helmet is enough of a visual to make heads turn and panties drop.

Capitalising on women's fascination with men on motorbikes, director Miles Long has formulated five sinful vignettes, each designed to satiate a kinky fantasy about the zoom zoom and the boom boom of riding dangerous curves in his slick new release for Third Degree Films called *Sleazy Riders*. With his impeccable attention to detail intact and his uncanny ability of capturing hardcore passion with his lens, Long goes the distance with this tasty little number and urges you to jump on back for the ride of your life. So, what are you waiting for? It's time to roll!

Lee Stone begins the race by riding his custom chopper to the mechanic's shop he works at with Brooklyn Lee. Turned on by the shining blue paint and fat tires, Brooklyn begins pawing at the rounded fenders of the bike, as if she were running her hands down a sculpted chest. "I've never been on a bike before," she reveals, running her fingernail across her bubbly lips, enticing Lee with her overtly friendly manner. "Want to put something exciting between your legs?"

Lee insinuates, picking her up from her small waist and placing her down on the leather seat. Showing her the proper way to grip the handlebars and straddle the tank, Brooklyn starts to breathe a little heavier and loosen up.

Lost in the thought of having so much heavy metal between her legs, Brooklyn grabs Lee's face and begins passionately kissing him. "Wanna take me for a ride?" she teases, resting her back against the curve of the bike and opening her legs in his direction. Slowly peeling her denim shorts down her shapely legs, Lee opens her up at the knees and begins devouring her savoury dish with an outstretched tongue. Swirling her pelvis around his chin, Brooklyn works her hips against his tongue until her sexy grease glides along the edges of the metallic tank like wet paint. "Baby, what else do you have for me?" she continues, freeing his cobra cock from his pants to continue their session of adult playtime.

Still perfectly spread out, she spits a wad of saliva across Lee's cock and urges him to go hard and deep. Nailing her good in missionary position, Brooklyn's pussy instantly pops with reddened edges and silky cream that ensures that Lee experiences a slippery ride from start to finish. What it also reveals is Brooklyn's naturally red bush that wiggles and curls as Lee continues his full frontal assault. Whatta girl!

Next, after closing her swanky bar, Kortney Kane busies herself by wiping down the sticky counters, fluffing the couch pillows, and refilling liquor bottles in the follow-up encounter. Ready to call it a night, she is unexpectedly startled when Derrick Pierce rides his red racing bike into her place of business. With her hands up in the air in defeat, Derrick removes his helmet and purrs, "There wasn't any parking outside." Although still angry, she's more turned on by the handsome patron that is clad from head to toe in racing leathers. "I highly doubt that since we're closed," she smiles, gliding over to touch the low profile handlebars and unzip his jacket.

Continuing with their intense foreplay session, Derrick continues, "I guess I was just trying to get your attention a little more loudly than normal." Rushing over to slide her pretty pink tongue down his throat, it appears that his unconventional plan has worked like a charm.

Falling to her knees, Kortney expertly balances on the stems of her high heels, ingesting his cock in steady gulps that leave her slender lips dripping. Growing in her mouth,

Derrick bucks his hips into her face and swishes his nuts underneath her chin for good measure. “Look at me with those pretty green eyes while you suck my cock,” Derrick hisses, rounding his cock around her cheek like a jawbreaker. Strumming his shaft like a harp, Kortney is clearly ready to play hardball.

“In about thirty seconds, transition into your first sex position,” Long interjects, dancing around the room with his camera in an effort to capture Kortney’s best angles. Doing exactly what they’ve been instructed to do, Derrick rests his ass against the motorcycle seat and places Kortney on his lap in reverse cowgirl. With a perfectly svelte body and tits built for speed, Kortney happily bounces up and down his stick shift, chasing an orgasmic blast that’s been blossoming inside of her since Derrick first zoomed into her bar. “Almost baby! Take me there,” she pleads, eventually releasing a climactic rush that christens their crotches with splashes of her succulent nectar. It’s hot!

After thorough light changes, set redecorations and costume adjustments, Asa Akira is ready to be ridden hard in the next scene. Contrary to the other scenarios, Asa rides in on her motorcycle in an effort to seduce John Strong into going balls deep. Riding into a dark alley, Asa revs her pipes and glides down into a perfect doggie formation over the tank, as her ass blossoms out behind her. “Do you like hot girls on bikes?” she questions, licking her lips and the handlebars when addressing John. Shaking his head yes, Asa jumps off the bike and begins slowly unzipping her black and white chequered racing suit. “Do you want to go for a ride?” she smirks, resting John against a stack of wooden palettes lined with a blue moving blanket. Again, he shakes his head.

Removing his pants, Asa rests between his legs and begins siphoning his cock down her neck as if she’s slurping up a plate of chow mein noodles. “Tasty,” she smiles, coming up to reveal red lipstick stains that have been sexily smeared across her Asian pout. “Are you ready for more?” she continues growling, eager for the opportunity to step up her game.

Switching positions, Asa tucks her black boots behind her ears and watches John drive his tongue in and out of her spicy twat. Lapping her up from the inside out, John treats Asa’s pussy like a melting pudding pop. “I’ve never tasted better,” he smirks, wiping her

natural drippings off his chin with the back of his hand. Still sprawled out, John eventually replaces his tongue with his cock in missionary position, tearing into her tiny hole like a jackhammer through hard pavement. After more heated positions, and more multiple orgasms from her, John pumps her face full of his homemade petroleum, sealing their deal in true porno style.

Meanwhile, back at her mechanic's shop, Nicole Aniston is administering the final touches to Erik Everhard's prized bike. Coming by to inspect her work and pick up his ride, Erik seems more enthralled by the sexy blonde bombshell than his matt black racer. "What happens if I break down again?" Erik flirts, running his hands along the curve of her calves as she straddles his bike. "You can call me anytime!" she grins, resting her chest against the cool metal tank. With her butt rounded out behind her, Erik licks the small of her back, urging her to turn around. Shimmying her out of her denim cut-offs, Erik busies himself between her legs, lapping up every inch of her blonde, well-manicured muff. "Do you like the way my tongue feels?" he asks, attacking her clit with a more directed force that causes her to pop the contents of her juicy box across the leather seat. "I'll take that as a yes!" he smirks, going in to offer her another orgasmic blast before he continues pleasing her with his cock.

Before allowing him full vaginal access, Nicole lowers down and services the head of his cock, although, disappointingly, she never takes him too deep. But still, she slurps on his cock just the same, keeping her baby blues fixed on him like a guided missle throughout. When finished with her amateurish oral attempts, Erik hooks her right leg in his arm and impales her pussy in an incredibly hot standing doggie arrangement.

With her tits in full view and the sexy muscles in her legs protruding, Erik annihilates her with his signature rough 'sport fucking' style that evidently takes her by surprise. Perhaps never having been ridden by one of porn's roughest riders, the shocked look on Nicole's face says it all.

Never one to give anything away free, Erik encourages Nicole to push her pussy to its limits before receiving the fruits of his labour... a smear of splooge across her pearly whites!

Showing her predecessor how it's done, Angelina Valentine closes out the movie with a powerhouse performance that brings the house down. Engulfing Mark Wood's genitals with her award-winning mouth, Angelina easily takes him down to the balls, actually popping his nuts into her mouth while she's down in prime cock sucking position.

"You like my dirty fucking mouth?" she hisses, commanding complete control from beginning to end. Working her hot hole in several positions, Mark rides Angelina's pussy out in more laps than a Supercross motorcycle race!

Concluding with a cum swallowing finale, Angelina's scene is the standout encounter of the illustrious line-up, proving, once again, that Angelina Valentine is a cut above the rest.

Ending here, on an exceptionally high note, Miles Long escorts me off set and thanks me for spending a day with him and the girls. With such amazing hardcore, some of the hottest chicks in porn, and plenty of sexy bikes, *Sleazy Riders* definitely has what it takes to get your motor running!

a gentleman – I just wanted him to fuck me and if that meant a dirty quickie then so be it. He pushed open a fire exit door at the side of the club and I followed him into a dark back yard.

Once outside, there was no time for niceties, Rob unzipped his trousers and wanked his cock stiff. Rob told me to give him a blowjob so I dropped to my knees and began by circling the smooth head of his prick with my tongue. I licked my way down to the base of his veiny cock and spent a while teasing his cum-heavy balls with my mouth. Then I clamped my lips around his wide girth and began hungrily sucking on his pulsating cock.

Rob's legs buckled with pleasure as I concentrated on giving him long, wet strokes with my mouth. As he grew increasingly excited, Rob grabbed hold of my head and forced his cock even further down my throat, thrusting himself into my face. His meaty prick was so far down my throat it made me gag and my eyes water, but he wouldn't stop and continued feeding it into my mouth until I was down to the root, my nose nestled in his pubes. I struggled to breathe with my mouth filled with his meat but thankfully he released me after a few minutes, saying that he wanted to screw me.

He groped my ripe tits as I unashamedly stepped out of my wet panties. There was no further foreplay, Rob knew he was running out of time and was desperate to shoot his muck. He bent me over a stack of beer crates and guided his prick into my tight pussy.

I felt like such a whore, being fucked from behind in a dark, dirty yard – but I loved every moment of it! Rob held onto my peachy arse as he drove his prick in and out of my hole, his movements becoming harder and harder the more excited he became. I was lost in the moment, and it wasn't until afterwards that I could remember little details like the weight of his balls slapping against me as he banged away.

I felt like such an animal, being pounded from behind. Suddenly he began grunting and his thrusts became slower but even harder and I knew he must be about to cum. He grabbed hold of my big tits to steady himself as his orgasm built. I prepared myself to feel my fanny flooded with his hot spunk but just as he reached his climax, Rob pulled out of my hot cunt and shot his load all over my arse. Warm jet after warm jet hit my buttocks. Streams of thick spunk dribbled down my cheeks and onto my thighs as Rob made sure he milked every drop of cum from his big balls.

As soon as he had finished, he wiped his cock on my knickers and said he'd have to get back to work – leaving me a panting mess.

I couldn't believe what a bastard he was, not even helping me to cum, but I have to admit being used like a cheap slut really turned me on. My cunt was aching for some more pleasure so I massaged Rob's gooey cream into my snatch to bring myself off, thrusting two and then three fingers in and sniffing at the cum he'd wiped on my knickers.

I was too messy from my jizz shower to return to the club so I sneaked home alone in a taxi – dreaming up what I'd tell my friends. If I was to tell them I'd scored with the DJ I'd have to make it more impressive than a quick shag next to the bins!

ALLIE

PHOTOGRAPHY: EARL MILLER

26-year-old Allie retired a few years ago from life as a porn star, but what was the highlight of her four years in the jizz biz?

"Well, I only wanted to do one film, but I ended up doing a few dozen because it was such a blast. You get used to the money, the attention and the great sex. I did a lot of blowjob films, because I was known for sucking on dicks until I gagged, but my favourite stuff to do was anal. It can be tricky in day to day life, but having a big fat dick fucking you exactly the right way in your ass is the best feeling ever!"

Allie, we miss you...
